

PAPAMOA FOOTBALL CLUB – PARTNERSHIP POLICY

Policy

Papamoa FC actively engages with the local community to promote partnership opportunities for our club and teams. The purpose of this is to be able to assist Papamoa FC towards financial sustainability and to operationally run the club.

Partnerships may not be solely monetary but can also be a person or business providing a product or service for the benefit of the club and/ or club team.

Partnerships cannot be conflicting with other club partners unless with prior agreement (of both parties ?)

It is preferable that agreements entered into are deemed beneficial to support the growth of the entire club and provide for multiple teams/members of the club notwithstanding that partners have the right to dictate where they would like their partnership value to be apportioned.

Where possible Papamoa FC will encourage their members to support these partners.

Where partners are contributing towards an after match function, Papamoa FC teams will attend and support where possible that venue

Players who are involved in NRFL level competition, and are able to attain individual partnership, will be refunded their partnership less the club senior cost an admin fee and proportionality paid as per NZF travel reimbursement regulations.

Where the club has entered into agreements with suppliers of team wear/ equipment, and under the terms in those contracts, all club merchandise must be purchased from that supplier.

Process

All parties wishing to partner with Papamoa FC should have a proposal (produced by club or sponsor/partner) which includes an offer of terms. An email is sufficient. This will be viewed by the Board (or assigned person) for ratification.
